Chief Editorial Message

A Trust which was started as a school six decades ago by the Founders of Vasavi Educational Trust, has gradually risen to the level of a premier Degree College with P.G. Courses in the district with two branches. It has been adorned with the 'A' Grade by Nation at Assessment and Accreditation Council (NAAC) this year. It has also been listed under 2(f) and 12(B) of UGC and also recognized by AICTE for BBA and BCA. The college since its inception has been striving hard to provide quality education for the poorest of the poor in the society at an affordable fee structure. The college, today, is an educational edifice of excellence with its most talented and experienced staff and state of the art infrastructure, offering a variety of courses in Arts, Science and Commerce at UG and Commerce at PG Level. It is a matter of pride that many of our former students have secured good jobs both in India and abroad. The magazine committee is glad to note that many of the faculty and the students have evinced interest in the magazine by contributing creatively and interestingly to various activities.

The details are not only a mirror for the creative talents of the contributors but also their analytical thinking. The committee deems it an Honor to congratulate all of them. We, the committee members, express our deep sense of gratitude to the President BR Viswanath Setty and Dr Manandi N Suresh, Honorary Secretary for giving us an opportunity to bring out another edition of the magazine Drushti. We are also grateful to our office and Admin staff for their support in our endeavors to bring out the magazine. We are also thankful to our colleagues for their cooperation. We strongly hope that the magazine will be received well by one and all.

Principal's Message

Drushti represents the ultimate results of every activities organized in the college. This Year College experienced new heights of academic excellence by producing 'A' Grade with 3.07 CGPA in its 3rd cycle NAAC.

It has indeed been an eventful year, replenish of activities and events that celebrate the spirit of learning, growth and creativity. All these events contribute to the holistic development of the students, who can own their talents and channel their energy into productive and creative work. Our belief at VET FGC is that students can achieve their full potential only when they are given an opportunity to develop their in-built talents. The unique blend of academics, co-curricular activities and value education imparted at the college continue to set it apart from the crowd. Drushti is evident for the same. My special regards to B. R. Viswanath Setty and Dr. Manandi N Suresh who are the main pillars behind the success of the college in 360-degree development. I extend my warm wishes to the Vice Principal, HOD's, Coordinators, Staff, and students of VET to continue this journey on the road to excellence.

I pray to the goddesses Vasavi to shower each one of us with Her divine grace and blessings and continues to grow in faith and integrity.

MILESTONE JOURNEY OF NAAC 3rd CYCLE

Date of Visit : 16th and 17th April 2024

Date of Receipt of Grade: 25th April 2024

V E T First Grade College, in its glorious journey of 28 years of education, has undergone two cycles of accreditation with B and B+ grades and has prepared vigorously for the third cycle. The preparations started a year ago with the formation of various teams and allocation of work to all. The NAAC peer team members were received by Principal, Vice Principal, IQAC Coordinator and Alumni Students in the airport.

The team comprised Chairperson Dr Priyamvada Srivastava from Pt. Ravishankar Shukla University Chhattisgarh, Member Coordinator Dr. Rakesh Ramteke from KBC North Maharashtra University and Member Dr Savita Joshi from Udaipur.

The NAAC peer team traditionally got a rousing welcome at VET First Grade College on Tuesday, April 16, 2024, when the team visited the institution to assess the performance of the institution for the 3rd cycle. The team was welcomed by the students with a traditional 'Aarati' and 'Poorna Kumbha' besides honored by the principal and administrators with a Mysore Peta, Shawl and Bouquet. The team after being greeted by NSS and Sports team was taken in procession by all till the Board room for presentation by the Principal.

The process of assessment began with a detailed presentation by the Principal Dr. R Parvathi for over an hour, who presented the birds' s-eye view of the institution's performance. This was followed by a presentation by IQAC Coordinator Dr. B Rammya on IQAC contribution and simultaneous verification of various records for the same. This was followed by interaction with the IQAC members including the industry expert Mr. Nagendra and Alumni Representative Prof. Deepak Singh who brilliantly tackled and handled the questions posted by the team. Then the team heard the department presentation followed by a visit to various facilities in the institution. The team split into 3, one comprising of the Chairperson accompanied by Principal Dr. R Parvathi, another comprising of the Member Coordinator accompanied by IQAC Coordinator Dr. Rammya, and a third Member checking the office documents along with office staff Vijaya and Murali.

Team 1 consisting of Chairperson Dr. Priyamvada accompanied by Principal Dr. Parvathi visited the computer science Department, classrooms on the second floor, ladies' common room, Business lab, Psychology lab, Literary Spotlight Club, NSS-Shramadhana, Language staff room, Chittara Cultural club, Kreedha Spardha Sports club and Yoga Centre. She appreciated the facilities and interacted with the students who readily presented the various club-related activities.

Team 2 consisting of Member Coordinator Dr. Ramteke along with Dr. Rammya visited the ICT-enabled lecture halls on the first floor, Vice Principal and HOD cabin, IQAC cabin, Techno Club, Computer Labs, Auditorium, and via lift visited the third floor. In the third floor, Mrs. Bharathi HOD of B.Sc. FAD along with her team showed all the labs of fashion technology. Then the team visited the Incubation Centre and Dr Ramteke was fascinated by the projects which students displayed. He also visited the Solar facility of the institution and appreciated the management for considering the sustainable aspect of energy. Overall he appreciated the techno club and all other students for their display of their best talents.

After the visit, the team had a luncheon meeting with Management members comprising President Sri B R Viswanath Setty, Honorary Secretary Dr Manandi N Suresh, other trustees, MLA Mr. Rammurthy, University Representative and Governing council nominee. The team was treated to sumptuous North Karnataka delicacies. After lunch, the team interacted with parents, alumni, students, teaching faculty, office staff, and trust members individually. The visit

finally concluded with a tour of a generator, grid, compost pit, canteen, sports facility, rainwater harvesting, and gymnasium and culminated with the library.

This was followed by a grand evening of cultural extravaganza. The cultural evening included a Bharatanatyam performance to start with followed by all the cultural and folk forms of Karnataka, a mime performance, pyramid, and a fashion show depicting Ravi Varma's collections. The folk forms depicted included Patta Kunitha, Pooja Kunitha, Dollu Kunitha, Kamsale, and Dance form from Coorg. All these forms truly depicted the culture and tradition of Karnataka. The mime performance had a theme of "save a girl child" and raising a voice against molestation or assault and how education is the only solution to free us from such bad clutches. The Pyramid was mind-boggling depicting different formations and paying tribute to all the service-oriented personnel including teachers, doctors, army, and firefighters among many. The fashion show was a wonderful and scintillating performance with a focus on Sari-a true grace of a woman. The models walked the ramp in innovative and beautiful draping of sari of different textures.

Overall, It was a treat to the eyes and the NAAC team complimented the students and institution for displaying such a feat and Dr Ramteke remarked that they haven't witnessed such a mesmerizing cultural performance in their previous visits to Karnataka. The member Dr Savita Joshi wanted a photo with the cultural team that performed so brilliantly, and it was readily taken.

The Peer team members were engaged in the preparation of a report on the second day. They also re-visited a few facilities like the Language Lab, clubs, solar energy, and rainwater harvesting among others. The visit concluded with an exit meeting on 17th April 2024 with the team handing over the Peer Team report to the Principal and IQAC Coordinator.

V E T First Grade College was accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' grade in the third cycle of academic evaluation and accreditation on 25th April 2024 for five years with a CGPA score of 3.07. This was possible only due to the dedicated efforts of all the stakeholders – special mention to Sri B R Viswanath Setty and Dr Manandi N Suresh who have been continuously striving hard and offering all possible support and cooperation to make this possible, other Management representatives, Principal, IQAC Coordinator, Faculty members, office and non-teaching staff, students, alumni, parents collectively which has added a feather to the institution in its accreditation journey.

KREEDA SPARDHA

The Kreeda spardha - Sports Club is more than just a venue for athletic competition—they are pillars of community life, catalysts for personal growth, and incubators of talent. Whether nurturing the future or providing recreational outlets for students, this club embodies the universal appeal and enduring significance of sports in society. By fostering a culture of inclusivity, sportsmanship, and achievement, sports clubs enrich lives and leave a lasting legacy in the communities they serve. Importance is given to both indoor and outdoor sports activities which include chess, table tennis, carrom, volleyball, cricket, athletics, kabaddi, kho-kho, and others.

Intercollegiate volleyball tournament

Participating in sports offers numerous benefits, and volleyball fosters skills like organization, teamwork, and communication. VET First Grade College hosted its inaugural Inter-collegiate volleyball tournament on June 12th and 13th, 2024. A total of 13 teams from across the city registered for the event, including well-known institutions such as Christ University, Surana College, Sindhi College, and T John College. Under the guidance of Dr. R Parvathi, the Principal and Academic Director, and Koushik, the Physical Education Director, the participants showcased exceptional sportsmanship and enthusiasm during the tournament matches. The matchups for the tournament were decided on June 10th, 2024, and a total of 12 matches were scheduled over the course of two days, with each match being a knockout game. Christ University emerged as the overall winner, securing the tournament trophy, while St. Francis College Koramangala claimed the runner-up position. The passion for volleyball was evident not only among the participants but also in the spirited support from the audience for their respective teams. The winners received a cash prize of ₹6000, and the runners-up were awarded ₹3000. The tournament was undoubtedly a resounding success, characterized by healthy competition and a strong display of sportsmanship and determination by all participants.

CULTURAL COMMITTEE
